

KING COUNTY WATER DISTRICT NO. 125  
KING COUNTY, WASHINGTON

RESOLUTION NO. 02 12 12 344

A RESOLUTION of the Board of Commissioners of King County Water District No. 125, King County, Washington, establishing meter installation charges, hydrant meter fees and repealing Resolution Nos. 93 04 14 - 271 and 79 01 10 - 32.

WHEREAS, the Board of Commissioners of King County Water District No. 125 ("District") finds it necessary to revise meter installation charges because of District costs and the Facilities Charges to be incurred under the 60-year City of Seattle/Water District No. 125 Full Requirements Contract for the Supply of Water ("Seattle Contract"), effective January 1, 2003; and

WHEREAS, the District Board of Commissioners having held a public hearing on December 12, 2002, for public comment on such proposed fees and charges pursuant to public newspaper notice;

WHEREAS, the District Board of Commissioners now desires to adopt and update the referenced charges and fees and having considered the recommendation of District staff and Penhallegon & Associates Consulting Engineers, the District's consulting engineer, and public comments related to the proposed charges and fees; now, therefore,

BE IT RESOLVED by the Board of Commissioners of Water District No 125, King County, Washington that, pursuant RCW 57.08.005 and RCW 57.08.081, the following meter installation charges and hydrant meter fees shall be imposed and collected payable no later than application for a District meter and connection to the District's water system, such charges and fees effective January 1, 2003; and Resolution Nos. 93 04 14-271 and 79 01 10-32 are hereby repealed and superceded as of the effective date of this resolution:

(A) Meter Installation Charges:

	<u>Wholesale Supply Contract Cost</u>	<u>Drop in</u>	<u>Complete</u>
5/8" x 3/4"	\$ 1,349.00	\$300.00	\$600.00
1 inch	\$ 2,698.00	\$300.00	\$600.00

*Handwritten initials and notes in the top right corner.*

Larger than 1 inch will be determined in each case by the cost to the District under the Seattle Contract (~~time and materials plus 15% of overhead costs~~) in accordance with the Attached Chart entitled "ERUs by Connection Size," Exhibit VI of the Contract. "Drop in" is defined as the District's installation of a meter only in an existing meter box and water service; a "Complete" meter installation is defined as the installation of a meter box, meter and all necessary fittings and service line to the meter box.

(B) Hydrant Meter Fees	<u>Deposit</u>	<u>Daily Rental</u>	<u>Consumption Charge</u>
	\$750.00	\$2.00 /day	\$2.10 per 100 cubic feet

ADOPTED at a regular open public meeting of the Board of Commissioners of Water District No. 125, King County, Washington held on December 12, 2002.
