2018 OPEN HOUSE — FREE LUNCH

Please join us July 12th from noon to 5:00 for our annual rate payer appreciation day.

Meet with District staff and learn about many water saving ideas. We will have a number of free items to help reduce water usage in your home or business.

In January 2018, our District was the first water district that was awarded the Washington State Auditor's Stewardship Award for guarding public resources with the shared goal of government that works better, costs less and earns greater public trust.

2018 Rate Increase

Although we have some of the lowest rates in all of King County and we haven't raised our rates since 2016, there was a rate increase in 2018. Seattle Public Utilities (SPU) supplies water to Water District 125. SPU is raising their rate to us and that increase will also be passed on to our rate-payers. We strive to keep our rates steady while providing our ratepayers with excellent service. Our commitment to improving and replacing the aging infrastructure will insure clean, safe water for years to come.

Happy Retirement Rose Lauer!

Your contributions to our lives and the District's success are greatly appreciated.
