

A RESOLUTION of the Board of Commissioners of Water District No. 125, King County, Washington, establishing that customer water bills be sent to property owners or, in the alternative, to authorized agents.

WHEREAS, the Board of Commissioners agrees that property owners may have water bills sent to and paid by certain authorized agents; NOW, THEREFORE,

BE IT RESOLVED that all customer water bills shall be sent to the owners of property served; provided, however, that a property owner may file with the Water District Office Manager an Authorized Agent Form (a copy of which is attached to this resolution); and, if such form has been executed by both the owner and agent and accepted by the Office Manager, billing may be to the agent; provided further, however, that such agent authorization does not relieve the property owner of ultimate responsibility in the event of payment delinquencies by the agent; and

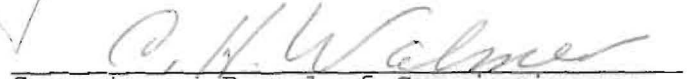

BE IT FURTHER RESOLVED that the foregoing agency authorization procedure shall not apply to allow renters, tenants and lessees occupying property to act as agent for the owners of property served.

ADOPTED at a regular, open public meeting of the Board of Commissioners of Water District No. 125, King County, Washington, held on August 12, 1981.
