

A RESOLUTION of the Board of Commissioners of Water District No. 125, King County, Washington, setting forth the connection charge to be assessed property owners seeking to connect to the district's water supply system, and repealing Resolution No. 80-11-12-73.

WHEREAS, the Board of Commissioners has redetermined that an equitable sharing of the costs of development of the water district's system will be accomplished by a late-comer's connection charge as set forth below and as authorized by Wash. Law Ch. 108, §1 (R.C.W. 57.08.010); NOW, THEREFORE,

BE IT RESOLVED by the Board of Commissioners, Water District No. 125, King County, Washington, that property owners seeking to connect to the district's water supply system, in cases not covered by a developer extension contract in force, as a condition to approving such connection and in addition to the cost of such connection, shall pay a late-comer's connection charge in the amount of the per-foot cost of installing the line to which the property owner is seeking connection; provided, however, that, in cases where no records are available to establish the per-foot cost of installing the line, the late-comer's connection charge shall be \$3.00 per front foot of the owner's property.

THIS RESOLUTION supercedes Resolution No. 80-11-12-73, which is hereby repealed.

ADOPTED at a regular open public meeting of the Board of Commissioners of Water District No. 125, King County, Washington, held on the 13 day of MARCH, 1985.

James J. Ingels
President, Board of Commissioners

Am. C. L. Wiene
Secretary, Board of Commissioners

ATTEST:

Am. C. L. Wiene
Secretary,

C. H. Walmer
Member, Board of Commissioners
