

RESOLUTION NO. 95 12 13 - 293

A RESOLUTION of the Board of Commissioners of Water District No. 125, King County, Washington, providing for a reduced water rate for customers providing proof of lost water caused by a leak; and amending Resolution No. 92 07 08 - 262.

WHEREAS, the Board of Commissioners has determined it to be appropriate to provide a one-time reduced rate to customers whose bills reflect water lost through a leak; NOW THEREFORE,

BE IT RESOLVED by the Board of Commissioners of Water District No. 125 as follows:

Resolution No. 92 07 08 - 262 is amended by adding the following:

SECTION FIVE: SPECIAL RATE REDUCTION FOR WATER LOST BECAUSE OF LEAK. A one-time special rate reduction for water lost because of a leak is provided under the following circumstances:

- (a) The customer must present documentary proof that as soon as reasonably practicable following discovery of the leak, the customer had the leak repaired;
- (b) The specially-reduced rate for lost water shall be the wholesale rate (Seattle Water Department "old water" charge) paid by the district applied to that amount of water over the most recent three-year average on the customer's bill;
- (c) Such specially-reduced rate will require the approval of the superintendent or the office manager and will be applied to only one two-month billing relating to the documented leak; and
- (d) Customers may pay the specially-reduced rate for water lost because of a documented leak in installment payments without penalty by making an agreement therefor with the superintendent or office manager and performing the terms of that installment payment agreement.

The remainder of Resolution No. 92 07 08 - 262 remains in full force and effect.

ADOPTED at a regular public meeting of the Board of Commissioners of Water District No. 125, King County, Washington, held on the 13th day of December, 1995.
